Wi-Fi Light Switch Instruction Manual

شركــة زونـتـل تـكنـولـوجـي للتجارة العامة ذ.م.م

Product Configuration & Installation

1.Appearance

On/Off/Configuration Indicator

2.Wiring Method

1)Connect home live wire to L;

2)Connect home neutral wire and lamp neutral wire to N.(The two N wiring holes are connected);

3)Connect lamp(1) live wire to L1;

4)Connect lamp⁽²⁾ live wire to L2;

5)Connect lamp(3) live wire to L3;

6)Connect lamp④ live wire to L4;

7)Connect lamp(5) live wire to L5;

8)Connect lamp⁶ live wire to L6;

3.Installation Precautions

- (1) This product with neutral wire and live wire, please remember to connect the neutral (N) wire when wiring.
- (2) Please installers strictly follow the installation instructions for wiring, there is a risk of high voltage, please pay attention to safety!

Main Functions/Setting

Main Interface

1.On/Off Control/Status Display/Personalized Naming

- (1) On/Off Control/Status Display; The icon is on when it is on, the icon is off when it is off.
- (2) Long press the switch button in the APP to change the switch name.

2.One-touch control to turn all on or off.

3.Timing function

1)Count down

2Recurring timer

شركــة زونـتـل تـكنـولـوجـي للتجارة العامة ذ.م.م

③Randomized timing

4Inching

4.Setting

(1) Master switch (Turn all switch on/off)

2 Restart Status

Other function

1.Bluetooth control

Automatically switch to Bluetooth control when the network on the device or APP side is abnormal.

2.Share Device

(1) Individual device sharing

(2) Family group sharing
